You can make a big difference

Coastal Hospice is a non-profit that provides compassion, comfort and care to those nearing the end of life and their families.

We’re a vital part of the Shore community.

Ways you can help

Tell us your interests and how you would like to help, and we will match you with one of our volunteer opportunities. We can work within your schedule and give you the skills you’ll need to be a Coastal Hospice volunteer.

Our volunteers visit with patients and their families in their homes or at a facility. They offer a listening ear, run errands, read or hold a patient’s hand.

Volunteers also assist with office duties, provide community education, attend health fairs, or help with fundraising events.

Our Thrift Shop in Berlin supports Coastal Hospice at the Ocean. Volunteers assist customers, create displays, operate the cash register, or sort and price donations.

“Volunteering with Coastal Hospice is a gratifying experience. It’s rewarding helping an organization that does so much for people when they need it most.”
