

WE HONOR VETERANS

A HOSPICE PROGRAM
TO SERVE AND HONOR
THOSE WHO SERVED US

*Coastal Hospice
& Palliative Care*

How we honor the veterans in our care

We thank them for their service. We listen to their stories. We help them receive the support they've earned.

- Veterans who come into our care receive a special visit to honor them, along with a personalized certificate and a patriotic blanket donated by the community.
- Our staff is prepared to meet the unique needs of veterans and their families.
- We assist the veterans and family members in enrolling and accessing VA benefits.
- We coordinate care with the VA and other healthcare organizations.
- We work with area veterans organizations to arrange color guards and attend special events honoring veterans.
- On veteran holidays throughout the year, we participate in special honor ceremonies open to all veterans across our service area.

Why we honor our vets

There are over 21 million veterans living in America today. These men and women often carry experiences from their military service that present unique healthcare challenges.

The Department of Veterans Affairs and the National Hospice & Palliative Care Organization together developed the We Honor Veterans program to empower hospices and other healthcare providers to meet the unique needs of veterans and their families. Coastal Hospice is a proud member of this national program.

We are caring professionals on a mission to serve.

Every veteran who comes into our care is honored with a special home visit from a patient care volunteer, many of whom are veterans themselves. The volunteers report the veterans love sharing their service stories with someone who understands their journey.
