**A GRIEF CAMP FOR KIDS  
AGES 6 TO 12 WHO  
HAVE LOST A LOVED ONE**

*Three days filled with healing,  
fun and lots of love*

## Camp Safe Harbor is a safe, loving place for children to heal

Children who have lost someone dear to them grieve in a very different way from adults. They may find it harder to express their feelings. They may even feel that the loss is somehow their fault.

Camp Safe Harbor is a summer day camp designed especially for them. The camp creates unique opportunities for each child to heal in his or her own way through play and fun activities. They'll join other children who have experienced a similar loss to help them come to terms with and talk about their grief.

The counselors at camp are experienced in grief support and include chaplains and social workers from Coastal Hospice and students and staff from Salisbury University. The ratio of counselors to campers will be high and encourage one-on-one interaction.

### Fun activities include...

- Opening night family ice cream party
- "Carrying a Weight" weight room fun
- Volleyball with water balloons
- Art on the walls
- Thumb Ball games
- Movie and popcorn
- Dodgeball tournament
- Healing circles
- Play therapy
- Silly sing-a-longs
- Arts and crafts
- Creating memory pillows

Camp Safe Harbor is open to children ages 6 to 12 who reside on the Lower Shore and are dealing with the loss of a loved one who had a central place in their life.

*Camp Safe Harbor will provide each camper with a daily lunch, a T-shirt, a water bottle and supplies.*
