Coastal Hospice

You can make a big difference

Coastal Hospice is a non-profit organization providing compassion, comfort and care to those nearing the end of life and their families. We are a vital part of the Lower Shore community.

Tell us your interests and how and where you would like to help, and we will match you with one of our volunteer opportunities. We can work within your schedule, and give you the skills you'll need to be a Coastal Hospice volunteer.

“Volunteering with Coastal Hospice is a gratifying experience. It’s rewarding helping an organization that does so much for people when they need it most.”

~ COASTAL HOSPICE VOLUNTEER

Ways you can help

Patient and family care

Our volunteers visit with patients and their families in their own homes or at a facility, and offer the support they need by running errands, providing companionship, fixing lunch, or giving caregivers a much-needed break.

Staff and office support

Our volunteers assist with office duties and community education, prepare mailings, attend health fairs, and help with fundraising events.

Thrift Shop

Our Thrift Shop in Berlin supports Coastal Hospice at the Ocean. Our volunteers assist customers, create displays, operate the cash register, or sort and price donations.

Grief support

Part of our mission is to continue to support families after their loved one has passed. Our volunteers make phone calls, prepare mailings and assist with our grief support group meetings.

We Honor Veterans

Our veteran volunteers visit our veteran patients and honor them for their service.
